REPORT OF THE COMMITTEE ON FINANCE

RESOLUTION APPROVING THE NEW DESIGNATION AND CHANGES IN THE DESIGNATION OF CERTAIN ORGANIZATIONS TO RECEIVE FUNDING IN THE FISCAL 2009 EXPENSE BUDGET

The Committee on Finance, to which was referred the above-captioned resolution, respectfully submits to The Council of the City of New York the following

REPORT

Introduction. The Council of the City of New York (the "Council") annually adopts the City's budget covering expenditures other than for capital projects (the "expense budget") pursuant to Section 254 of the Charter. On June 29, 2008, the Council adopted the expense budget for fiscal year 2009 with various programs and initiatives (the "Fiscal 2009 Expense Budget").

Analysis. This Resolution, dated November 19, 2008 sets forth new program areas to be funded by the Department of Juvenile Justice ("Department"). In a communication from the Department to the City Council Finance Division ("Division"), dated August 14, 2008, the Department informed the Division of its decision on program services to be provided using the funding provided in the Fiscal 2009 Adopted Budget. In such communication, the Department selected the LGBTQ Workshops for Youth in Secure Detention, Tolerance Workshops for Youth in Group Homes, Literacy Skills-Building Workshops for Secure Detention Youth, Re-entry Supports Program, Violence Prevention and Intervention for Secure Detention, Conflict Resolution for Group homes, Expressive Arts for Youth in Courthouse Detention Rooms Awaiting Court Appearance, Family and Parental Engagement, Spirituality/Stress Reduction Yoga Workshops, Leadership Skills-Building through Sport for Secure Detention, Swim Clinics for Youth in Groups Homes, and Expressive Arts for Girls as program areas to be funded using the appropriation set forth in the Fiscal 2009 Adopted Budget. This Resolution approves such selection.

Also, this Resolution sets forth a new purpose of funds for the Beacon Opening Fees program. The Fiscal 2009 Expense Budget included \$3,000,000 for the Beacon Opening Fees program within the budget for the Department of Youth and Child Development. The language within the Fiscal 2009 Expense Budget with regard to the purpose of funding for this initiative read: "This allocation represents a partial restoration of \$3 million for Beacon opening fees that are required by the Department of Education. There are currently 80 Beacon programs are multi-service, school-based community centers that are citywide and serve over 180,000 children and adults very year. There is at least one

beacon in each Council Members' district." This Resolution now changes the purpose of funding for this initiative to read: "This allocation represents a restoration of \$2.3 million in funding, which the Department cut in the Fiscal 2009 New York City Budget. This restoration affects 66 of 80 Beacon programs that are funded with City Tax Levy funding. The remaining \$700,000 will be distributed equally amongst the remaining 14 Beacon programs that are funded solely with Federal funding. There is at least one beacon in each Council Member's district."

Lastly, this Resolution approves new designations and changes in the designation of certain organizations receiving local, aging, and youth discretionary funding in accordance with the Fiscal 2009 Expense Budget. This Resolution also approves the new designations and changes in the designation of certain organizations to receive funding pursuant to certain initiatives in the Fiscal 2009 Expense Budget.
